Information Disclosure Statement

Applicant is advised that the Canadian reference listed under the heading "Foreign Patent Documents" and all of the non-patent literature documents have been struck through because these references were not made available by Applicant. (Indeed none of the documents listed on the PTO 1449 form were provided. However, only those documents that were struck through could not be readily retrieved by the Examiner.)

Allowable Subject Matter

Subsequent to receiving an indication that all claims were allowable, Applicant filed an IDS for the Examiner's consideration. Although this submission contained several references bearing some relevance to the present case, there were no teachings therein that either corrected the deficiencies of the previously-applied combination or, themselves, fully disclosed the instantly claimed invention. Accordingly, these claims are still deemed allowable.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Marc S. Zimmer whose telephone number is 571-272-1096. The examiner can normally be reached on Monday-Friday 8:00-4:30.
